Fellowships & Scholarships

INTERNATIONAL HEALTH FELLOWSHIP

Sponsored by ISI Research & Training Institute, Inc

Deadline: Saturday, **January 19**

The Mabelle Arole Fellowship supports a student to work and learn what is involved in implementing a health program in villages at the Jamkhed Comprehensive Rural Health Project in central India (Maharashtra State). The student must be admitted to a medical school to qualify for the Fellowship. The Fellowship (\$8,000) covers all transportation, room & board and travel in the region. The Fellowship runs from mid-August 2009 until approximately June 2010.
